

EHT Baseball Lends a Helping Hand!

In an effort to prepare our students for the game of life, the Egg Harbor Township High School Baseball program dedicates time throughout the school year to various charitable causes and foundations. It is our goal to encourage our student-athletes to see the responsibility that they have to the world around them. Our class of 2017 & 2018 student-athletes recently spent the day volunteering at the Atlantic City Rescue Mission & Community Food Bank of New Jersey. Our student-athletes collected urgently needed items such as clothing, personal care items, & food products to donate to each worthy cause. To see more from our trip, visit us at ehtbaseball.weebly.com
