

EHTHS Students Enjoy Edgar Degas Art Exhibit

During the week of March 20 - 24 EHTHS students took an in-house “field trip” to the upstairs E-Wing link, to see the Edgar Degas Art Exhibit. The World Languages Department rented a traveling art exhibit for one week. Students from World Language classes as well as dance, art, and special education classes attended the exhibit. Students from the Honors French 3 class served as docents for the exhibit.
