

Dear Families of the Class of 2019,

As a member of the teaching staff at Egg Harbor Township High School for the past 16 years, I am honored and excited to join the administrative team as the 11th Grade Assistant Principal. Over the years, I have developed relationships with the your child's class through teaching, coaching, advising, chaperoning, or simply interacting with them in the hallway, cafeteria, and library. I look forward to continuing these interactions as I guide the class towards commencement.

My relationship with the current administrative team has grown and developed over the years. Together, we will continue to promote a positive and safe learning environment while providing a memorable school experience for all students. I have had the pleasure of working with Dr. Charlton, Ms. Supp, Mr. Walter, and Ms. Holmstrom not only in organizing graduation, but also in the capacity as an administrative intern and as an aide in each of their offices. Additionally, I have worked directly with my predecessor, Mr. West, for two years as a faculty assistant, and am familiar with his office procedures and staff. Although transitions can sometimes be difficult, I will work with my secretary, Ms. Smithson, to ensure a seamless transition for all families.

As I begin my position in January, I look forward to working with all of the students in the Class of 2019. Please be assured that my door is always open should you have any questions or concerns. Together, we will forge ahead and continue to make Egg Harbor Township High School one of the finest schools in New Jersey. Best wishes for a safe and enjoyable holiday.

Sincerely,

Ms. Jaclyn Carugno, Assistant Principal for 11th Grade
