Dear EHT Class of 2020 and Family,

It is with great honor and esteem that I embark on a journey with the Egg Harbor Township High School staff, students, and community for the 2018-2019 school year. I am excited to have a 14-year tenure in education, specializing in special education. One of my goals is to work collaboratively with Dr. Charlton and administrative team to create multiple pathways for students to succeed while at EHT. I feel privileged to be able to lead a school that embraces students' individual needs.

I earned my bachelor's degree from Temple University in Elementary Education and Special Education. I spent eight years of my teaching career in special education, during which time I earned my Master's in School Administration. I then worked as a high school vice principal and as a supervisor of special education. I enjoy spending time with family, going to the beach, working out and learning a little more each day.

It is a privilege to stand united with Dr. Charlton and the administrative team servicing the community which I call my new home. I look forward to fulfilling our collective vision bringing the stakeholders to the table to meet and discuss the expectations set in our school's mission, as well as the goals for the district, school faculty, and students. I am very excited about this opportunity. Please feel free to email me any questions, concerns, or suggestions at DomenaT@eht.k12.nj.us or call me at (609) 653-0100, extension 1604.

I look forward to meeting you at Back to School Night, Thursday, September 13th at 6:30!

Ms. Tracey Domena, Assistant Principal for 11th Grade
