August 2020

Dear Parents and Students:

It is with great pride that I welcome you to the 2020-2021 school year! While I realize the start of this is nothing like we have ever done, I am confident that the high school team of teachers and support staff will continue to offer you the best education possible in this unpredictable time.

The **first day** of school for all high school students will be **September 8, 2020**. You can find your schedule of classes in the parent portal. I am sure some of your teachers have already set up Google Classrooms and sent you your link. Please look for the links because you will be expected in all classes every day. Teachers will take attendance and will adhere to the district attendance policy. If you are not in your Google class, then the day will count against one of your 10-day absences. Attendance and punctuality are very important to your child's education and have a direct correlation to increased levels of learning which contributes to a positive school climate. Please reinforce with your children that school attendance should be a top priority. You can refer to the online handbook for what constitutes an excused day.

I would like to welcome the class of 2024! **Freshman Orientation** will take place virtually this year on **September 2, 2020**. You can view the virtual presentation on the High School web page at 6:00 PM. Parents are encouraged to watch the presentation with their freshman child. If there are any questions, please write them down and send them to me. I will be glad to get the answers for you.

Normally, I discuss drop off and pick up of our students. We will send information out as we get close to the hybrid opening in late October. This will also include the option for Seniors Only to drive to school during the hybrid in person instruction. There will be a **"Virtual Welcome Back"** presentation posted on the High School Web Page for all students to view on **Friday, September 4, 2020 at 6:00 PM**.

The Assistant Principals and grade levels they serve are:
